O'Brien is senior manager, global benefits, for Getty Images and is charged with the mission to design and deliver comprehensive and evolving benefits, services and programs that meet and anticipate the needs of a unique and diverse employee population across 32 countries. Her main goal is to amplify Getty Images' Leadership Principles, fostering an environment that allows employees to thrive. With 25+ years of experience in benefits, compensation and HR policy, O'Brien's passion for international benefits stems from the desire to elevate the employee experience with easy-to-access, comprehensive and premier benefits. Her prior expatriate work experience as a total rewards consultant assisting U.S. and U.K. multinationals to deliver on strategic objectives to employees in Ireland has enabled her to bring a wealth of knowledge to her role. Prior to working for Getty Images, O'Brien worked for RGP and Mercer Human Resource Consulting.
