

Beth Ratliff

**Chief Operating Officer
Premise Health
Brentwood, Tennessee**

Beth Ratliff serves as chief operating officer for Premise Health. Ratliff oversees enterprise integration of business processes, technology and clinical service delivery to drive enhanced experience, effectiveness and efficiency. Her expertise includes lean health care, clinical application delivery, product management and clinical quality. Her 20+ years of experience in the health care field features 14 years of experience with multi-site operations, including the onsite delivery of primary care, occupational health, pharmacy and rehabilitation services to some of the country's largest employers. Ratliff is a Nashville Health Care Council Fellow and a member of the Fellows Alumni Advisory Board. She holds a bachelor of arts degree in physical therapy from University of Louisville and a master of business administration degree from Indiana Wesleyan University.
